## ABOUT

A results-driven UI/UX and Graphic Designer passionate about crafting intuitive interfaces and captivating visuals. With a keen eye for detail and a commitment to seamless user experiences, I transform concepts into impactful designs that leave a lasting impression.

## EXPERIENCE

### Freelancer

Sept 2022 - Present

UI/UX designer with a history of delivering user-centric designs for various clients. Proficient in creating intuitive interfaces and seamless user experiences that align with client goals.

### Softsquare

Sept 2020 - Jan 2022

I helped in creating impactful design projects from concept to execution. Specialized in crafting visually stunning brand identities, marketing materials, and digital assets, contributing to company goals.
